Any persons/organisations hiring our inflatable are responsible for any damage or injuries occurring from or as a result of misuse or reckless use. Persons using the inflatable do so at their own risk. These guidelines are for the safety of all persons using the inflatable, and it is the sole responsibility of the hirer to ensure they are adhered to. Viabes Community Association cannot accept responsibility for any damage or injury to anyone using the equipment however caused.

For your information, safety and enjoyment we recommend the following:

1. The bouncy castle is for child use only. Please ensure it is not used by adults. This is due to safety, manufacturing and insurance reasons.
2. A responsible adult must supervise children at all times whilst on the inflatable.
3. Please do not allow anyone on the inflatable whilst inflating/deflating.
4. Children are not allowed to climb, sit or hang from the walls of the inflatable.
5. Ensure the inflatable is not overcrowding. Please refer to the safety notice at the front for guidance. Limit the number of users to allow enough room for each child to play safely.
6. ALL SHOES, BADGES AND JEWELLERY MUST BE REMOVED. We also suggest you remove spectacles where feasibly possible.
7. No food or drinks to be consumed whilst on the inflatable to avoid both mess and the possibility of choking.
8. No face paints, party poppers, coloured streamers or silly string as these make a mess and can stain the inflatable for which you will be liable for payment to clean or repair.
9. Occasionally check the blower is securely attached to the inflatable.
10. Never switch the blower on and off whilst the inflatable is in use.
11. If the inflatable fails for whatever reason, evacuate immediately to prevent injury.
12. Please remember if the inflatable is dirty or damaged at the end of the hire, the hirer is liable for the full repair or cleaning costs.
